During the Sermon

Trace around your footprint onto a piece of paper. You can decorate your footprint if you want to or make as many footprints as you want to! If you are wanting to follow Jesus, turn your footprint over and write "I'm following Jesus" and put today's date next to it. You can put it somewhere safe or hang your footprint up on your wall as a reminder that God wants you to follow him.

If you make extra footprints, send them in to church so we can make a shared artwork with them to remind the adults to Follow Jesus too.

Backing it up at Home

Play Simon says or Follow the leader games this week with your young children. Remind them that you have chosen to follow Jesus and that they can choose to follow him too.

Choose a new recipe or art activity and look up the instructions together. Follow the instructions. Talk about how we can be wise in whose instructions we follow based on who is giving the isntructions.

Spend time with individual members of your family doing something that they love to do. Have your child teach you something new (let them be the expert and you be the follower this time).

Make a video together using lego or toys that tells the account of Jesus calling Matthew. Encourage your child to look up the verses in the Bible with you and to create the video using the Bible as the script.
